PS&S

FROM THE CORNER OFFICE

By Anthony Sartor, CEO and John Sartor, President and COO

You can't write the history of business in New Jersey without devoting a few chapters to the pharmaceutical industry. Big Pharma grew to dominate the region's manufacturing and marketing landscape, whether it was the old Hoffman-La Roche plant on Route 3, Merck headquarters in Whitehouse Station or any one of several dozen other successful enterprises.

FOCUS ON: PS&S and the Life Sciences Sector

Serving clients in the Life Sciences industry has been an integral part of the PS&S mission since the 1980s, and Senior Vice President Emad Youssef, PE, has been there each step of the way.

CASE IN POINT: Genzyme Biosurgery, Ridgefield, N.J.

In 2007, Genzyme Biosurgery embarked with PS&S on a multi-year plan to upgrade one of its most important facilities, converting a single-product manufacturing plant into a state-of-the-art, multi-product facility.

EMPLOYEE SPOTLIGHT: Luis Silvestre

Luis Silvestre spent most of his career as an engineer in his native Puerto Rico, specializing in the pharmaceutical industry. But when the pharma sector there began to struggle, he decided to pursue professional fortunes elsewhere.
